Hi Edgar,

I'm sure you are both a crumpled heap post Frieze.

I was able to locate some of my 35mm slides for the Jerwood Show... but most importantly, I can give you a definitive list of works that were shown, so a couple of changes to what you have on the website! See attached. When I find the 5 x4s I will scan them and get them to you.

Also "Exercise One", 1995 was shown at The Tannery, London in a show called "Obsession" artists: Glenn Brown, Jeremy Dickinson, Gregory Green, Stephen Hepworth, Brendan Quick, Andrew Renton, Paul Stone - 5 October - 12 November... need to check these dates! I've attached some installation photos!
